

How to Access the USAWP Rules Test

1. Log into your USAWP Account
2. In the menu on the left side of your screen, click on “Learning Hub”

3. You will be re-directed to the USAWP Mobile Coach Education website
4. Click on the “Referees” section to find the rules test
5. There is no summary at the end of the test. The software will notify you after each question whether it was answered correctly or not. Write down the question number and your answer for each missed question. This will make it easier to correct your missed answers if you have to take the test again.
6. Once the test is passed, you can exit the page. Your Sport80 Rules Test certification will update automatically.
